Education

ANALYSIS TECHNOLOGIST & INFORMATION SYSTEMS DEVELOPMENT

2012 - 2015

Centro de Biotecnología SENA Palmira - Valle del Cauca

An excellent high-level education in web application development. Having studied at SENA gave me the opportunity to find a profession to be passionate about.

SYSTEMS ENGINEER

2016 - 2018 (Paused, I have 2 semesters to go.)

Universidad nacional Abierta y a Distancia UNAD

I had the opportunity to enter this university with the option of homologating 4 semesters with what I had studied at SENA. Being able to study virtually helped me further exploit my self-taught skills and work at the same time.
